

MAC Education Log (NDP 11)

All MAC Training must be documented on this form. The “time” section of the form must have a time range, i.e. 8A-5P or 10A-2P. The date of completion for MAC II must be noted as requested on the form.

Check the type of training being conducted. State the date of completion of eight (8) hours of MAC II Training

If re-education or other training is provided, state the nature of the training in the “other” section of the form.

Please be sure the MAC Workers attending the training ***PRINT*** their names in the first column and place their ***SIGNATURES*** in the second column.

MAC Education Logs must be maintained a minimum of five years.
