An underage drinking prevention campaign by the Baldwin County Community Alliance (BCCA)....The BCCA believes that underage drinking is not a MINOR problem and says—FAKE ID's—NO SALE—NO WAY!

You will see these friendly reminders throughout local licensed alcohol retail vendors around Baldwin County. Through the cooperative agreement with the Substance Abuse and Mental Health Services Administration (SAMHSA) and Alabama Department of Mental Health (ADMH), Baldwin County is afforded the opportunity to tackle underage drinking through this campaign funded by the Strategic Prevention Framework State Incentive Grant (SPF SIG). The AltaPointe Substance Abuse Prevention Team, members of the BCCA, local law enforcement, parents, schools and businesses, shift this effort into HIGH GEAR! Be a part of the movement to a safe and healthy community!
