Recovery Support Services for Youth & Adults

Have you got SWAG?
Students With Achievement Goals
 FREE afterschool program at Floyd & Highland Avenue Elementary for 4th & 5th grade students. Fun and educational opportunities provided in a safe, nurturing and healthy environment.

COSA is taking a comprehensive approach toward “bridging the gap” of prevention service needs in their community. Through the launching of new and innovative programs, COSA is able to reach diverse community members from elementary through high school students and the professional service providers. A happy, healthy community is PRIORITY!
