Dear Vendor:

The AL Department of Mental Health (DMH) is requesting proposals from individuals to provide nursing services. **This advertisement is opened until further notice.**

Employees of DMH and current State employees may not respond to this Request for Proposal (RFP).

The submission of a proposal does not guarantee the award of a contract. Any contract resulting from the proposal is not effective until it has received all required governmental approvals and signatures. In addition, the selected vendor shall not begin performing work under this contract until notified to do so by the departmental contracting agent.

When submitting a proposal, please read the entire request for proposal document and return your proposal in the requested format. All proposals should be submitted in ink or typed and contain an original signature.

Proposals may be sent via Regular US Postal Service (USPS) Mail, Express/Overnight USPS Mail, commercial delivery service such as FedEx or UPS, or hand delivered by the closing date and time. Emailed or faxed responses are not accepted. Also, please note: All US Postal mail, including express/overnight mail that is dispatched to any State agency is processed thru the State mail facility before it is forwarded to the appropriate State agency, thus delaying its arrival to the department. By using the USPS, you assume the risk of delay that may result in your proposal being received late and therefore being determined to be untimely. Postmarks of the date mailed are insufficient; the proposal must actually be received at the above listed office by the date/time specified.

If you have any questions, please contact us at 334-353-7440.

Sincerely,

Joey Kreauter, Director
